After six months, gyms in capital set to reopen today after govt nod

EXPRESS NEWS SERVICE
NEW DELHI, SEPTEMBER 13

SHUT FOR close to six months since the Covid lockdown, gyms and yoga centres can reopen with immediate effect in all parts of Delhi, except containment zones, stated an order issued by Chief Secretary Vijay Dev on Sunday. The Delhi Disaster Management Authority (DDMA) has also allowed weekly markets to operate on a rotational basis in each zone.

However, spas, sauna, steam baths and swimming pools will remain closed.

"... The situation of Covid-19 in Delhi has been reviewed and it has been decided that the present arrangement of opening of weekly markets on a trial basis may be continued till September 30, and gymnasiums and yoga institutes may also be allowed to open subject to strict compliance of SOP issued by the Ministry of Health and Family Welfare and the Government of India," the order stated.

"One weekly market per day per zone in all three Municipal Corporations/NDMC/Delhi Cantonment Board allowed from September 14-30 (except containment zones)," the notification stated.

The order to open gyms comes as a relief to 5,500 gym owners and a workforce of 1 lakh people. "We thank the L-G and the Delhi government for the same. All gyms in Delhi will follow guidelines given by the MHA and DDMA. Social distancing, mask, sanitisation will all be kept on priority," said Chirag Sethi, vice-president, Delhi Gym Association.

As per the directives, the DDMA and other departments/authorities con-

GUIDELINES

■ Use of facecovers/masks mandatory at all times within premises

■ During yoga exercise or exercising in gyms, as far as possible only a visor may be used. Use of mask (particularly N-95 masks) during exercise may cause difficulty in breathing

■ Only asymptomatic persons, including staff, will be allowed in the premises

■ Six feet distance between personal trainer and clients must be maintained during personal training sessions

■ Ensure sessions are tailored to include only exercises that do not require physical contact between trainer and clients

cerned shall be responsible for strict compliance of the SOPs laid down by the government. If violated, the owner and manager of the premises will be held liable for prosecution under DDMA Act 2005, besides sealing of such premises.

On August 3, the Ministry of Health and Family Welfare had issued a set of preventive measures to contain the spread of Covid-19 in yoga institutes and gyms. The guidelines stated that persons above 65 years of age, persons with co-morbidities, pregnant women and children below the age of 10 years are advised not to use gyms in closed spaces. The Delhi government has reiterated these rules for all yoga centres and gyms in the city.

For air-conditioning/ventilation, guidelines of the Central Public Works Department will be followed which emphasises that the temperature setting of air-conditioning devices should be in the range of 24-30 degrees Celsius, relative humidity should be in the range of 40-70%, intake of fresh air should be as much as possible and cross ventilation should be adequate.

4,235 CASES ON SUNDAY; JAIN SAYS NO LOCKDOWN PLANS

In one week, active Covid cases in capital up by 38%

NEW DELHI, SEPTEMBER 13

ACTIVE COVID-19 cases in Delhi have gone up by 38% in the last one week, a direct result of an uptick in daily cases. The city, which last saw a high number of cases in June, has been witnessing a resurgence of the illness, reporting over 4,000 cases per day for over five days.

Active cases reflect the number of people who are presently infected with the disease. On September 6, the city had 20,909 active cases — this increased to 28,812 by Sunday.

Reiterating that the government has no plans to impose lockdown restrictions again, Delhi Health Minister Satyendar Jain Sunday said: "We want to make it clear that we are past the time of lockdown. We have got a lot of experience after the lockdown. The most effective way to prevent corona infection is to wear masks. If you wear masks, you can avoid infection to a great extent. Also, it is necessary to adhere to social distancing."

On Sunday, Delhi saw 4,235 new cases and 29 fatalities, taking the total cases to 2,18,304 and the death toll to 4,744. The city performed 56,656 tests in the last 24 hours which threw up a daily positivity rate of 7.48%. A total of 3,403 people have been discharged in a day.

The spike in active cases can be gauged by an increase in people under home isolation and by

10 held for posing as Armymen to dupe people on e-commerce apps

EXPRESS NEWS SERVICE
NEW DELHI, SEPTEMBER 13

TEN MEN were arrested and two juveniles apprehended for allegedly cheating hundreds of people by posing as Army personnel on e-commerce apps, said police on Sunday. While nine of the 10 men hail from Haryana's Nuh district, one hails from Rajasthan's Bharatpur district.

During the lockdown, the accused also cheated several people by putting ads on social media about home delivery of liquor. Police said the accused would take advance payments from buyers and later block their numbers.

DCP (Cyber Crime) Anyesh Roy said they received over 300

complaints on their national portal. Raids were conducted in Haryana and Rajasthan, and the accused were caught.

"From an analysis of the complaints, it was seen that the accused, who could not speak English, targeted people from Hindi-speaking states like Haryana, UP, MP and Rajasthan. Some from Delhi were targeted as well," said police.

The accused also regularly posted fake ads of cars and bikes on websites like OLX and would pose as Army or paramilitary personnel so the victims would trust them.

After getting a deal with a buyer online, the accused would tell the victim the vehicle is at an Army facility and could not be released unless the "release

amount" was paid.

The victims were told to transfer release amount, GST fee, handling and transport fees. After all the transactions were made, the accused would stop responding to the victim's calls and texts, police said.

Some of the accused would also pose as buyers on the same websites and approached sellers. After closing a deal, the accused would send a fake screenshot of the payment suggesting that the amount had been transferred. When the victim complained of not receiving the money, the accused sent QR codes to the victims, said police.

The QR codes, when scanned, would enable the accused to withdraw money from the victim's bank accounts, said police.

Man shot dead at Madhu Vihar junction by 3 unidentified men

EXPRESS NEWS SERVICE
NEW DELHI, SEPTEMBER 13

A 33-YEAR-OLD man was allegedly shot dead by three unidentified men in East Delhi's Madhu Vihar on Sunday. Police said the victim, Yogesh, was driving his white Polo car, when the accused came on a motorcycle and fired over ten shots at him.

Police said Yogesh was on his way to meet his friend in Anand Vihar when he stopped at Hasanpur Chowk around 2 pm. Eyewitnesses told police the accused were allegedly following the victim's car on their bike, and stopped their vehicle near the car at the junction. The three men drew out their pistols and fired over 10 shots at the car. Two windows of the car got smashed and

The deceased, Yogesh

Yogesh sustained multiple bullet injuries. The men stopped firing after two-three minutes and fled on their bike. Police said they have recovered nine empty rounds from the spot. DCP (East) Jasmeet Singh said, "Yogesh was severely

injured and locals rushed him to Max Hospital. Doctors declared him dead on arrival." Police said Yogesh lived with his wife and two children in Dakshinpur and owned a car cleaning and washing workshop in the area. In 2011, he was arrested by local police at Ambedkar Nagar for allegedly killing a man over personal enmity. He was arrested, but granted bail by the court two years later.

Singh said a case has been registered. Police are scanning the CCTV footage near the spot to trace the bike and identify the accused. Police suspect the deceased was killed by one of his associates, and said his family is being questioned about Yogesh's other alleged criminal activities and rivals.

Tiwari seeks joint meet on shifting jhuggi residents

Northeast Delhi MP Manoj Tiwari

EXPRESS NEWS SERVICE
NEW DELHI, SEPTEMBER 13

NORTHEAST DELHI MP Manoj Tiwari has written to Union Railways Minister Piyush Goyal seeking a joint meeting of stakeholders — including Delhi CM Arvind Kejriwal — for better planning and coordination to carry out the Supreme Court order to remove 48,000 slum dwellings along railway tracks, and to rehabilitate residents in vacant flats.

In the letter, Tiwari said in view of the urgency and time-bound action ordered by the SC, it is expedient that there is better communication and coordination in approach and action by all stakeholders. He also wrote to Kejriwal for rehabilitation of affected slum dwellers and arrangement of transit accommodation for them, as it is the "responsibility" of the state government to ensure slum dwellers are shifted and given proper accommodation without any risk to their lives amid the Covid pandemic.

DUSIB earlier wrote to the Railways, telling them that close to 30,000 houses could be readied to move people in by March next year.

(VMMC) and Safdarjung Hospital, said: "As testing increases, more people are likely to be identified and be isolated timely. While looking at active cases, we need to identify asymptomatic people who are still in the community and can become a source of infection. People need to follow social distancing rules so that positivity rate doesn't go up despite more tests being carried out. It is important to ensure there is no increase in mortality rate as well."

Observing a rise in daily admissions to hospitals, the state health department ordered all private hospitals with more than 50 beds to reserve at least 80% of their total ICU beds for Covid patients.

In a video conference with 33 private hospitals, Jain had discussed reserving more beds in their ICUs.

At present, 72% of non-ventilator ICU beds and about 60% of the ventilator beds are occupied. The overall bed occupancy in hospitals is almost 45%.

"If non-Covid patients are already admitted in some hospitals, once they are discharged, the vacant beds will be reserved for Covid patients only. The order is relevant only for private hospitals and to ensure more bed capacity in their ICUs for Covid patients... Hospitals in Delhi that are treating Covid patients are allowed to increase bed capacity up to 30%, which will only be used for such patients," Jain said on Sunday.
