The Maximum Buy-back Size represents approx. 9.91% of the aggregate of the Company's total paid-up equity capital and free reserves as at March 31, 2018, on standalone basis, (being the latest available audited financials of the Company), which is in compliance with the maximum permissible limit of 10% of the paid-up equity capital and free reserves in accordance with Section 68(2) of the Act.

1.2 The number of Equity Shares bought back will not exceed 25% of the total paid-up equity share capital of the Company. The Company will comply with the requirement of maintaining a minimum public shareholding of at least 25% of the total paid up equity share capital of the Company as provided under Regulation 38 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, during the Buy-back period and upon completion thereof.

1.3 The Buy-back will be implemented by the Company from the open market purchases through the Stock Exchanges, through the order matching mechanism except "all or none" order matching mechanism, in accordance with Regulation 4(1)(b)(ii) of the Buy-back Regulations. There being no outstanding partly paid-up shares in the Company, as required under the Act and the Buy-back Regulations, the Company shall not purchase partly paid-up shares with call-in-arrears. Further as required under the Act and the Buy-back Regulations, the Company shall not purchase locked-in or non-transferable Equity Shares under the Buy-back till the pendency of the lock-in or till the Equity Shares become transferable, as the case may be.

1.4 A copy of this Public Announcement is available on Company's website (i.e. <http://www.indiabullsrealestate.com/>) and is expected to be available at the website of Securities and Exchange Board of India ("SEBI") (i.e. [www.sebi.gov.in](http://www.sebi.gov.in)) and on the website of the Exchanges (i.e. [www.bseindia.com](http://www.bseindia.com) & [www.nseindia.com](http://www.nseindia.com)), during the period of Buy-back.

##### 2. NECESSITY FOR THE BUY-BACK AND DETAILS THEREOF

2.1 The Buy-back is being proposed in keeping with the Company's desire to enhance overall shareholders value. The surplus funds available with the Company shall be utilized to Buy-back its shares from the Exchanges to optimize returns to the shareholders, without compromising on the high growth opportunities available to the Company. The Buy-back would make the balance sheet of the Company leaner by reduction in the overall capital employed in its business, which in turn will lead to higher earnings per share and enhanced return on equity. Besides it would also provide an exit opportunity to those public shareholders who desire to exit in an investor friendly manner.

2.2 The utilization of cash resources for the purpose of the proposed Buy-back is not likely to impact Company's financial position as well as any of its growth plans. Even after factoring the present and prospective borrowing for its organic and inorganic growth projects, the debt equity ratio shall also remain within reasonable limits in view of the expected annual accretion to the net worth in future years.

##### 3. BASIS FOR ARRIVING AT MAXIMUM BUY-BACK PRICE AND OTHER DETAILS THEREOF

3.1 The Maximum Buy-back Price of Rs 240/- per Equity Share has been arrived at after taking into consideration various factors, including the market price of the Equity Shares during the last 6 (six) months. The Maximum Buy-back Price excludes the Transaction Costs viz. brokerage, applicable taxes such as securities transaction tax, service tax, stamp duty and other expenses.

3.2 At the Maximum Buy-back Price and for Maximum Buy-back Size, the maximum number of equity shares bought back would be 2,60,00,000 (Two Crore Sixty Lac) Equity Shares ("Maximum Buy-back Shares"). The Maximum Buy-back Shares will always be subject to (i) the Buy-back not causing the Company to be in violation of the conditions for continuous listing prescribed in terms of Regulation 38 of the SEBI (LODR) Regulations i.e. maintaining the public shareholding at 25%, (ii) the aggregate consideration payable pursuant to the Buy-back not exceeding the Maximum Buy-back

Size. It is being clarified that the Maximum Buy-back Price does not indicate that the Company is under obligation to buy or continue to buy Equity Shares so long as the price is below the Maximum Buy-back Price. Similarly, Maximum Buy-back Size and Maximum Buy-back Shares do not indicate that the Company is under obligation to utilize, the entire amount of Maximum Buy-back Size or that the Company is under obligation to buy all the Maximum Buy-back Shares.

3.3 Further, the Company shall utilize at least Rs. 312 Crore (Rupees Three Hundred and Twelve Crore only), being 50% of the amount earmarked for the Buy-back as the Maximum Buy-back Size ("Minimum Buy-back Size") and based on the Minimum Buy-back Size and the Maximum Buy-back Price, the Company will purchase an indicative minimum of 1,30,00,000 (One Crore Thirty Lac Only) Equity Shares ("Minimum Buy-back Shares").

3.4 The Buy-back is proposed to be completed within a maximum period of 6 (six) months from the date of opening of the Buy-back. Subject to the Maximum Buy-back Price of Rs 240 per Equity Share and maximum validity period of 6 (six) months from the date of opening of the Buy-back and achievement of the Minimum Buy-back Size, the actual time frame and the price for the Buy-back will be determined by the Board of Directors of the Company (including committee, constituted by the Board of Directors or persons nominated to exercise its powers in relation to the Buy-back), at their discretion, in accordance with the Buy-back Regulations. However, in accordance with the Buy-back Regulations, Buy-back price for the Equity Shares in physical form will be determined as the volume weighted average price of the Equity Shares bought back, other than in the physical form, during the calendar week in which the equity shares in physical form are received by M/s Indiabulls Ventures Limited [a SEBI registered broker, vide SEBI Registration Number INZ000007534 and having Membership of NSE and BSE, and a SEBI registered Depository Participant vide SEBI Registration Number In-DP-CDSL-204-2003 with NSDL and CDSL] (the "Company's Broker") (or in case no Equity Shares are bought back in the normal market during that calendar week then the previous week when the Company last bought back Equity Shares) and the price of Equity Shares tendered in physical form during the first week of the Buy-back shall be the volume weighted average market price of the Equity Shares of the Company during the preceding calendar week.

3.5 The amount required by the Company for the Buy-back (including the cost of financing the Buy-back and the Transaction Costs) will be invested out of cash and bank balances/deposits and/or short term investments and/or internal accruals of the Company. The Company confirms that, as required under Section 68(2)(d) of the Companies Act, the ratio of the aggregate of secured and unsecured debts owed by the Company shall not be more than twice the paid up equity share capital and free reserves post the Buy-back.

The Persons in Control are already in control over the Company and therefore such further increase in voting rights of the Persons in Control will not result in any change in control over the Company. Further, the Persons in Control, who are also the Directors of the Company, in their capacity as Directors, neither participated in the meeting of the Board of Directors held on May 18, 2018, where the proposal for Buy-back was considered and approved by the Board of Directors, nor voted on the resolution, authorizing the Buy-back under sections 68, 69 and 70 of the Companies Act. ## 12. MANAGEMENT DISCUSSION AND ANALYSIS ON THE LIKELY IMPACT OF THE BUY-BACK ON THE COMPANY

12.1 This Buy-back is not likely to cause any material impact on the earnings of the Company except for the cost of financing the Buy-back, being a reduction in the treasury income that the Company could have otherwise earned on the funds deployed for the Buy-back.

12.2 The Buy-back of Equity Shares will result in reduction in share capital and consequently expected to be EPS accretive. The Company believes that the Buy-back is expected to result in overall enhancement of the shareholder's value.

12.3 Consequent to the Buy-back and based on the number of Equity Shares bought back by the Company from its equity shareholders, their shareholding would undergo a change. There will be no change in the aggregate number of equity shareholding of Persons in Control as a result of the Buy-back. However the holding and voting rights of Promoters and the Persons in Control, as a result of the Buy-back would stand increased from 36.74% to 38.86%, assuming the Company buys back the Maximum Buy-back Shares.
